Just FYI, the Vatican Gendarmes confirmed that all the movements listed in the note verbale are fine and they have no changes.

Ex. 6 - Personal Privacy -- the only change I have is regarding the 4PM tour on Thursday, the request indicates that they should expect the motorcade to arrive at 4PM but with the tour taking place at that time, the motorcade will arrive at 345.

Thank you.

Hi all, please find attached our draft diplomatic note for vehicle access to the Vatican. Just waiting on vehicle information and the passenger manifests to submit to Vatican protocol. The Vatican gendarmerie will then confirm with us the entry/exits and advise if any changes are needed. I've also included a handy reference map on locations of Vatican entrances.

I included mention of the Thursday 4pm Vatican library tour and requested that the motorcade enter through the Sant'Anna gate for drop off at the Belvedere courtyard, but did not mention the 5pm Scavi tour, as Maria said that her people will meet the Administrator at the Residenza Paolo VI Hotel at 4:50pm and the group will enter the Vatican on foot.

let me know when you have final details on vehicles/passengers. Thanks!

The Gendarmes have just informed me that your office should contact directly the Gendarmes' Command to inform them of the date, time, and purpose (e.g. Mass at St. Peter's) that SP plans to enter the Vatican City State. The direct email address is info@gendarmeria.va

Also, please do send over the car info/license plate info so he can arrange the drop off location for the other two tours.... Thanks!
